

Symbol	Abbr.	RAC/SPA code	Description
	AP	III.6.1.	Infralittoral algae habitat.
	AP-GI	III.6.1.*	Infralittoral algae habitat with patches of infralittoral gravels habitat.
	AP-SFBC	III.6.1.*	Infralittoral algae habitat with patches of fine and calibrate sands habitat.
	AP-SGCF	III.6.1.*	Infralittoral algae habitat with patches of coarse sands and gravels under the influence of the bottom currents habitat.
	AP-C	III.6.1.35.	Infralittoral algae habitat with coralligenousin enclaves.
	C	IV.3.1.	Coralligenous habitat.
	C-SGCF	IV.3.1.*	Coralligenous habitat with patches of coarse sands and gravels under the influence of the bottom currents habitat.
	C-SCA	IV.3.3.	Shelf-edge rock habitat.
	DC	IV.2.2.	Habitat of coastal detritic bottom
	DE	IV.2.1.	Habitat of muddy detritic bottom
	GI	III.4.1.	Infralittoral pebbles habitat.
	GI-AP	III.4.1.*	Infralittoral gravels habitat with patches of infralittoral algae habitat.
	SFBC	III.2.2.	Well sorted fine sands habitat.
	SFBC-AP	III.2.2.*	Fine and calibrate sands habitat with patches of infralittoral algae habitat.
	SFS	III.2.1.	Fine sands in very shallow water habitat
	SFS-AP	III.2.1.*	Fine sands in very shallow water habitat with patches of Infralittoral algae habitat.
	SGCF	III.3.2. and IV.2.4.	Coarse sands and fine gravels under the influence of bottom currents habitat.
	SGCF-AP	III.3.2.* and IV.2.4.*	Coarse sands and gravels under the influence of the bottom currents habitat with patches of infralittoral algae habitat.
	SGCF-C	III.3.2.* and IV.2.4.*	Coarse sands and gravels under the influence of the bottom currents habitat with patches of coralligenous habitat.
	SVMC	III.2.3.	Superficial muddy sands in sheltered water habitat.
	SVMC(STP)	III.2.3.	Superficial polluted muddy sands in sheltered water habitat (this habitat is not explicitly mentioned in RAC/SPA code)
	VTC	IV.1.1.	Coastal terrigenous muds habitat.
	HCn	III.2.2.1. and III.2.3.4.	<i>Cymodocea nodosa</i> meadows habitat.
	HP	III.5.1.	<i>Posidonia oceanica</i> meadows habitat.
	HHP	III.5.1.	<i>Posidonia oceanica</i> half meadows habitat.
	Pm	III.5.1.3.	<i>Posidonia oceanica</i> death mattes habitat.
